Make all the right decisions with the environment friendly L380S.

Canon's L380S is the ideal business partner for modern times. It's economical, efficient and eco-friendly – you can be sure it'll handle every task with ease. Like transmitting fax documents at **3 seconds per page**, as well as printing and copying at **18 pages per minute**, all in brilliant **1200 x 600 dpi** resolution. There's also the **510-page** fax memory that will store all your important faxes if you run out of ink or paper. And to top it all off, you'll find the L380S is a real friend of the earth too – it meets global **RoHS** environmental regulations.

Crisp And Clear

Get all the intricacies right with the L380's superb **1200 x 600 dpi** print resolution. Thanks to **Canon's Ultra High Quality (UHQ™)** image processing system for fax output and a **256-level halftone** scale, there's not a detail you'll miss.

Done In A Jiffy

The L380S will waste no time in demonstrating its efficiency. With a fax scan speed of **25 pages per minute** and print and copy speed of **18 pages per minute**, this dedicated worker will handle high pressure, high speed and high volume easily. A **Super-G3 33.6 Kbps modem** allows swift faxing and a **Dual Access** function makes sending and receiving simultaneous faxes possible, maximising productivity.

Prepared For Anything

Rest assured that if you're not ready for an emergency, the L380S will be – its amazing **510-page fax memory** will store all faxes if you run out of ink or paper, and an hour-long memory backup system will transmit memorised pages in case of a power failure. There's also a **251-sheet** paper supply (250-sheet paper cassette and 1-sheet multipurpose feeder) and a **50-sheet Automatic Document Feeder** to handle continual faxing and lengthier documents.

Just Press To Access

With the L380S' **32 one-touch dialling** and 100 coded speed-dialling keys, you can get much done at the touch of a button. Or send a fax to 142 corporate contacts at once – the L380S is able to do that too.

W For No Wastage

The L380S makes use of Canon's **Cartridge W** system that can print up to **3500 pages (5250 pages** in toner saver mode) with a single cartridge. You can only trust **Genuine Canon Consumables** for the highest quality output and maximum performance.

Energy Saving And Eco-Friendly

Besides being an **Energy Saver** and consuming less power, the L380S has also been developed with Canon's environmental technologies that help save the earth. This green machine complies with **RoHS** (Restriction of Hazardous Substances) regulations, which means there is minimal use of hazardous materials such as lead, mercury or cadmium in its manufacture, so it does not pose a threat to human health. Rest assured that with Canon products, your business and well-being are taken care of.

L380S Specifications

Fax Speed / Resolution

Modem / Transmission	33.6kbps / 3 sec per page*
Data Compression System	MH, MR, MMR, JBIG

Fax Scanning Resolution	Standard, Fine, Photo, Super Fine, Ultra Fine mode
Image Processing System	GENEUSIS/UHQ (Ultra High Quality™)
Greyscale / Halftones	256 levels of grey, 9 density adjustment levels

Fax Printing

Method	Laser Beam Printing
Speed	18 pages per minute (A4), 19ppm (LTR)*
Resolution	1200 x 600 dpi
Economy Mode	40-45% toner saver
Auto Image Reduction On Reception	Yes

Fax Document Handling

Auto Document Feeder	50 sheets (A4/LTR), 20 sheets (LGL), 1 sheet (other sizes)
Multi-page Document Size	216 x 356mm max, 148 x 105mm min
Document Thickness	Multi-page: 0.07-0.13mm, One-page: 0.06- 0.23mm
Document Weight	Multit-page: 50-105gsm, One-page: 50-240gsm

Fax Transmission Features

Direct Transmission	No
Memory Transmission	Yes
Quick Memory Transmission	No
Fax Memory	510 pages* / 8MB
Memory Reception	Yes
Dual Access	Yes
ECM (error correction mode)	Yes
Delayed Transmission	Yes (142 locations, including 10 Regular Dials)
Sequential Broadcast	Yes (142 locations, including 10 Regular Dials)
Polling	Yes
Sub-Address Transmission	No
Relay Broadcasting Command	No
Direct Mail Prevention	No
Confidential Transmission	No
Reports	Activity, Transmission, Error, Reception, Multi TX / RX, Memory / Speed dial lists

Dialling Capabilities

One Touch Dialling Keys	32
Coded Speed Dialling	100
Group Dialling	131
Redial	Yes (automatic and manual)
FAX / TEL Auto Switch	Yes
Answering Machine Hook-up	Yes
Remote Reception	Yes
Telephone Handset	Optional

Digital Copier

Resolution	300 x 300 dpi
Zoom Ratio	50-200%
Multiple Copies	Up to 99 copies a document
Special Copy Feature	Collate Copy & Reserve Copy

PC Printing

Method	Laser Beam Printing
Speed	18 pages per minute*
Resolution	1200 x 600 dpi
Printer Driver	CARPS (Canon's Advanced Raster Printing System)
Interface	USB 1.1
OS Compatibility	Windows 98/ME/2000/XP/VISTA**

Paper Handling

Paper Source	250 sheets
Multi Purpose Feeder	1 sheet
Printing Width	206mm: A4
Paper Size	LTR / LGL / A4 / A5 / B5 / Envelope / Free Size [Multi Purpose Feeder: 216 x 356mm (Max) 76 x 127mm (Min)]
Paper Weight	64gsm – 128gsm
Paper Type	Plain, Recycled Paper, Thin Paper, Heavy Paper, Transparency, Label (Standard Type), Envelope, Postcard

General

Dimensions Without Trays (W x D x H)	438 x 402 x 340mm
Weight	Approx 11 kg
Power Source	AC200-240V, 50-60Hz
Power Consumption	9W - 530W, Energy Saver Mode: 5W
Environmental Compliance	Energy Star, RoHS
Toner Cartridge	Cartridge W (Consumable yield: 3500 pages*) 5250 pages* yield in toner saver mode

Note: USB cable available inside the machine box.

* Average printing yield, basing on ISO/IEC 19752 standard page.

** If Vista driver is not included in the box, you may visit www.canon-asia.com, "Support & Download" site for driver download
