

**DUAL PROTECTION  
IN ONE SAFE**

# VIPER

**BURGLARY- & FIRE-RESISTANT SAFE**

## KEY FEATURES

- Combined fire and burglary protection in one safe.
- EN 14450 certified by ECB•S to level S2 burglary protection.
- EN 15659 certified by ECB•S for 30-minute fire protection for documents.
- Choice of 4 sizes: from 36- to 91-litre capacity.
- All sizes fitted standard with EN 1300 certified electronic lock.
- Dual base fixing holes, supplied with two concrete anchor bolts.
- Ideal safe for protecting cash and valuable items, as well as passports, title deeds and other important documents in the home and office.
- The safe door is secured using the new revolutionary “V” bolt system. The design of the locking bolts helps maintain door integrity both when under physical attack and during a fire.
- The safe is prepared & anchoring kit is supplied to allow the Viper range to be securely base-fixed to resist unauthorised removal once installed.

M-70	800	445	390	832	803	710	355	281	71	65	2
M-90	1000	445	390	832	803	910	355	281	91	78	2

\* Hinges project 20mm beyond the depth (C) given above. In standard electronic models, the overall projection increases to 40mm.

### LOCKING

All sizes are available with mechanical combination lock.

#### MECHANICAL COMBINATION LOCK

Secured by one 3-wheel Keyless Combination Lock. Capable of 1,000,000 changes of code. The code can be changed easily, and security can be maintained over the safe whenever there is a change of staff.

### CONSTRUCTION

Both the walls and the door are constructed using an inner and outer layer of steel containing a specially formulated burglary and fire resistant material developed by Chubb safes. This material provides class-leading performance with low weights enabling installation almost anywhere.

### CERTIFICATION

#### 30P FIRE PROTECTION

The whole range has been certified by ECB+S in accordance with European Standard EN 15659 to provide 30-minute protection for documents in the event of a fire.

#### LEVEL S2 BURGLARY PROTECTION

All sizes have been certified by ECB+S in accordance with European Standard EN 14450 to burglary resistance Level S2.
